Dear Sirs:

Re: Børstinger Strasse 9, Eutingen i.Gäu-Weitingen

We are today in receipt of your account in respect of our purchase of the above property, which has been paid via our respective bank accounts.

May we take this opportunity to thank you most sincerely for the efficient and friendly way you acted on our behalf in this purchase. Little did we know when we contacted Schaich and spoke with Frau Schuh that we would today be the owners of such a property! From Frau Schuh's sympathetic understanding of what we were looking for, to our meeting with Herr Fernandez who searched out Børstinger Strasse, who then drove us there, then kept in touch by keeping us fully informed of progress to the finale at the Notar's office in Tübingen with his colleague Herr Inreiter; they then both took us and the Vendors out to an excellent dinner to celebrate. This all adds up to **WONDERFUL SERVICE!**

Your company deserves to be successful; we would certainly recommend you without hesitation.

Kind regards,

Yours sincerely,
For HANS HOHBACH and CHRISTINE BUNCE
